Tipu Road, Chaklala Rawalpindi

Ph: 051-5590971, 051-5591436, 051-5961401

Application Guide

New Concrete Surface

New plaster must be completely dry, sand down the plaster with Emery stone or emery paper and apply one coat of Rainbow Water Based Primer. Prepare the surface by applying 2 coats of Rainbow Wall Putty followed by 2-3 coats of Rainbow Healthguard.

Old Painted Surface

Remove all dust, dirt and loose adhering or flaked paints by scarping with scraper (wall) or Emery Paper (for wooden surface). After scarping apply one coat of Rainbow Water Based Primer. Then apply second coat of Sealer which is followed by the Filling. After the putty is completely dry, sand down the surface and apply 2-3 coats of Rainbow Healthguard.

Safety & Precautions

- Stir Paint vigorously prior to thinning. Avoid extra thinning
- Make sure there is ample ventilation available before, during and after
- Keep children and pets away from painted areas and appliances
- When applying paint, it is preferable to wear eye safety goggles and dust mask
- Never leave opened container unattended
- To clean paint from your hands, use soap and water only

Storage & Handling

- Keep away from heat and spark sources, away from direct sunlight.
- Never breathe in dust, mist, gas or vapors from the dry product or the hot-melt.
- Keep the containers closed in storage.
- Do not apply during rain/fog/mist/wind or when the temperature is below 5 °C.
- In case of eye contact: Wash with plenty of cold water and immediately consult a physician.
- In case of ingestion: drink plenty of water or milk, do not induce vomiting, & consult a doctor.
- In case of inhalation: remove the person to open fresh air area, provide artificial breathing if needed, and consult a doctor.
